Instruments for Sale

We specialise in providing excellent quality instruments for all players from beginners through to professionals. It is particularly important for children starting to play that they have an instrument that gives a quality sound, is cost effective and retains its value. In our experience, children often give up playing due to their frustration with a poor quality instrument.

Please get in touch to make an appointment to discuss the best instrument for your individual requirements.

01923 510103 or email dieter@musicalcocktails.com

All instruments are thoroughly checked and set up as new prior to being put on sale.

All work is fully guaranteed.
